

## Barry Gardner

July 2, 1936 - October 14, 2018

Barry was born in Seattle July 2nd, 1936. He had the good fortune of taking pleasure in all the activities available that growing up on Lake Washington afforded him... His favorite was water skiing.

He graduated from Army-Navy Academy in Carlsbad, California in 1955, then attended Seattle University.

On January 3rd, 1964, he married Mary Beth.

Barry, Jr. and Brad are their two sons.

He loved the outdoors. He liked long walks with his family and dogs; motor home trips to see America, especially our magnificent national parks. He often revisited the Taweel Lakes fishing camp, remotely located in the resplendent Canadian Rockies, But his favorite trips of all, were those taken to watch the Washington Huskies both locally, and on the road. Husky football was a family tradition beginning with his Dad who played for Washington in 1915.

He looked forward to gatherings with family and friends. He especially looked forward to Christmas.

All of his Life, he loved caring for his beloved flowers.

We will miss him forever.

“ Thanks Barry for many years of laughs, stories and fun times at work, always a good man and a shoulder if you needed it. I'm sorry Mary Beth, Barry Jr and Brad, I'll always have memories of our time on the lot and now Barry can finally control the thermostat.

“ Barry and I shared many laughs. I appreciated the fact he laughed at ALL of my jokes. He gave a smile even when I knew he wasn't feeling the best. Great guy!. Please accept my sincerest condolences and know that he is 100% healthy now and at peace. Oh, the Huskies should erect a statue in his honor. He bled purple no matter how the teams were doing. We lost another good one.

“ Although it has been some years since I last saw Barry, I've often reflected on the kind, caring, and honorable man that was so characteristic of him. He was the epitome of a gentleman.

I compassionately extend my condolences to his family along with the certain knowledge that his love for each of you....is eternal.
