“ Kitty was spectacular! She was a stellar friend, brilliant, understanding, openminded, and hilarious. She always made sure to let me know she loved me, and no matter how busy we got, we always picked up right where we left off. I will miss her forever. My consolation is that she gets to see our dear Catherine. I miss her forever, too.

“ Kitty was sharp and alert and intelligent...kind and good. She had a good life and made life good for many others. I want to be like her when I grow up....and I'm not that far behind. Very lovely lady. Rest in Peace.
