“ My deepest condolences to you all. My Niece bought his blue truck and is still driving it. He was so much a part of us all at the Eagles and I am saddened to hear he has transitioned. A good life well spent! He is home now. David Bruce Hall

“ Oh Fred I was so worried about you I am glad the good lord took you quickly and you did not have to suffer. You will be missed by all of your family and friends especially all of your Eagles brothers and sisters. I will always think of you while at the Aerie during our events and picnics. I always enjoyed your company.
