“ I didn't know her but the flavoratism she showed toward chocolate and the fact that she put such a great human being into the world for you, Mary, qualifies her for great praise right there!! ~Aliza

“ This is a great video and tribute. There are many pictures I have never seen that really show her spirit. Thanks for putting it together, Mary. My Grandma was a great person who will be missed dearly.

“ It was my great pleasure to have met and gotten to know Norma. I first met her when I started working for Life Care Connections at The Willows. Norma said that if she ever needed care that she wanted me and I said I would love to care for her. We shared lots of laughs during coffee. She always made me smile. When it came time I was very glad to have been able to assist her some. I always looked forward to seeing her.

“ Norma was wonderful woman and God provided her with an extra long life. She knew Jesus Christ as her Lord and Savior and she is enjoying the glories of Heaven at this very moment. Keep looking up!
