“ Met Rick at the Habitat as a volunteer. Grateful to have spent that time with him. He was a great person, always had his chin up, never shirked a duty and was always willing to help. Made me laugh more often than not, really made my day when I showed up and Rick was there. Was funny to see him head banging to songs on the radio one second, then helping the customer that was watching him the next. Good man Rick, you are truly missed, Ride Easy

“ My favorite memory of Rick was when he gave up his ticket to the live How to Train Your Dragon show to Leo so he could go with his girlfriend Hannah. That made Leo so happy. I get a little comfort knowing Leo and Rick are together. They will take care of each other. I love you guys so much.
