

Stan Smith, Jr.

May 25, 1963 - May 17, 2020

Stanley Brooking Smith "Stan" was born May 25th, 1963 in Lake Arrowhead, Ca. He passed away at his home in Belfair on May 17th, 2020.

Stan was fond of motorcycles and cars. If he wasn't out working on his or someone else's car, he was often found in the garage tinkering. He loved to ride, and would always take the kids out when they were younger. He loved his family fiercely, and would give you the shirt off of his back if it would help you out. He was so proud of being able to finally purchase a house for his wife and himself. He spent many hours out in the yard clearing it out and fixing it up.

He is survived by his wife, Mona; four children: Sarah, Ian, Kendra, and Thaydra; three grandchildren: Daemian, Rhiannon, and Mackenzie; his brother Guy; and his mother Pat

We would love for you to share memories, stories and photos of Stan if you have them.

“ Dear Kendra,

We never knew your Dad, but we are certain he was a very special person like you are. We also know how much he meant to you and we feel your pain. Please know that we are thinking of you at this difficult time. Take care.

“ Stan - you have always been a father to me. You took us in as yours with no hesitation or doubt. Even in times when we didnt see eye to eye, it was always evident how much you loved us and only wanted good things for us kids. I have never doubted your love for me and I hope you knew how much I loved you. I will love you and miss you always!

“ You were a father to me more than any other man. You are my Dad, and I hope you know that I know, feel, and whole-heartedly believe that. May your next journey be full of love and adventure.

You are well loved and missed in this one. <3
