

Stephen Sanford Chafee

August 28, 1946 - June 8, 2017

He was loved by many for his generosity and kindness. He graduated from University of Washington with a Bachelor's Degree in Electronic Engineering and a Masters in Biophysics. Steve served 3 years in the U.S. Army and retired from DON Keyport after 33 years. He was a life time scholar and enjoyed hiking, skiing and travel. He is survived by his wife Carol Fischer Chafee, son Aaron, sister Gina and granddaughter, Raleigh. Celebration of Life will be at the family home (3894 Trenton Ave NE, Bremerton) Saturday, June 24th from 2 to 5 pm.

Comments

“ Remembering our early years together. Steve and Sir Skatty (sp?), the fastest horse in town and ridden by the handsomest cowboy. Skatty was also ridden by his future wife Carol and they just flew around the barrels. Those were fun days. I picture Steve on Skatty and leaping through the air with his flaxen tail and mane. You know Horses are in heaven!

Later we all met up again Steve, Carol and Dallas. I enjoyed our times working on the Queen Committee together and working together at our rodeo. Steve was always around, strong and supportive of his family. Steve will always be remembered and respected by everyone that he worked with, a dedicated husband and father. He will be missed. Carol, I will always love you, our history and friendship are very special.

“ Steve you will always have a place in our heart. Your generosity, kindness and willingness to help out, no matter how out of the way, or your plans, is what made you so special! I loved talking to you, especially when we talked about "the kids these days" they were a source of much laughter! Thank you for your kindness. Thank you for all the rides you gave CJ. I promise to always lookout for Carol, my sister from another mother, and keep you forever in my prayers. Rest in paradise my friend, you will be missed.
