

Teresa E Thompson

August 10, 1958 - November 13, 2021

On November 13, 2021, after a fierce and courageous battle with cancer, our dear friend Teresa E. Thompson joined her mother Donna Marrs, father Clarence Marrs, sister Cecile Sims, sister Sandra Copp, brother Glen Marrs, and granddaughter Lucee, in the kingdom of heaven.

Teresa is survived by her devoted husband Gene Thompson, daughters Tonya Jones and Nicole Jones, step-daughter Trisha Bartlett (Aaron Bartlett), sisters Barbara Nahaku, Nadeen Bradley, Darlene Allman (Michael Allman), Lynda Thein, and many nieces and nephews. She was also known as Nana to 10 grandchildren, plus one on the way; Anelise, Jaysin, Braden, Trent, Zoe, Jordan, Emerald, Ruby, Lucee, Kenneth, and a sweet baby girl due early 2022.

Born on August 10, 1958 (the baby of the family) Teresa grew up in Gig Harbor, Washington and could be found riding horses with her sister Lynda, picking berries on the power line road, or enjoying long walks and just hanging out with her friends. Although shy, she made friends easily. Teresa graduate from Peninsula High School in 1976, going on to earn her associate's degree. Teresa enjoyed a long career with Olympic College, retiring with many, many, many friends. Teresa was known to be a lover of handbags, shoes, and all the sparkly jewelry, spending hours happily shopping at her favorite outlet malls.

In 1994 Teresa met the love of her life, Gene Thompson. After dating for two years, the two love birds wed in Reno, Nevada, beginning their many adventures as husband and wife. Together they would dance, listen to music, attend concerts, watch NASCAR and cheer for the Seahawks. They enjoyed vacationing in Reno, NV, Las Vegas, NV, and Seaside, OR. Seaside was one of Teresa's favorite places. Teresa and Gene were partners in love, sickness, health, good and not so good, together always. They also enjoyed spoiling their grandchildren, attending many soccer games, plays, dance recitals, and countless birthdays and other celebrations.

Teresa will be dearly missed and forever loved. Her legacy will live on as a warrior, having fought cancer bravely for nearly 20 years. Until we meet again, rest in peace Teresa, mom, nana.

There will be a celebration of life held at a private residence in February 2022.

In lieu of flowers please donate to the Jane Thompson Russell Cancer Care Center at <https://www.chifranciscan.org/our-foundations/franciscan-foundation/donate-now>

“ *Let me try this again..... I wrote a Memory and it disappeared on me. HO-HUM, I'll try it again.*

Our Baby Sister has lost her long and difficult battle with cancer. She will be greatly missed by her loving husband Gene and children and many family members.

I remember many weekends spent on her patio listening to music and doing a little partying. She loved an occasional beer and of course I settled for Crown Royal. Tough choice, but someone had to drink the hard stuff. She and Gene would start up the barbeque and we would eat and party until the late evening.

Some weekends we would all end up at Mom's house for cards and a little partying as well. She loved the games Pinochle and Hand and Foot. When Mom was alive, she would always get excited about our week-ends card playing. Some weekends we would go dancing in Silverdale instead of playing cards. We would always request the "Electric Slide" and we were always the first on the dance floor getting it started. Before we left to go home, we would request it a second time as our last dance.

When she graduated from High School, we decided it was time to go off to Hawaii with her friend Dina and lots of family members. In Hawaii, at the time, it was legal to party at the age of 18. So, we did do our fair share of trying to keep up with our Hawaiian family, which was impossible to do. But we ALL had a great time trying.

Teresa. you will be missed by many of us who loved you. Until we see each other again.....Much Aloha.
